

Gain a new **perspective.** Own the Edge.

Sometimes you need a different point of view, a new way of looking at the conditions around you. Gaining that perspective enables you to be more aggressive and Own the Edge by making better risk decisions.

The Combat Readiness Center (CRC) can give you that view.

By using Composite Risk Management (CRM), you can see the bigger picture and get a better understanding of all the risks that might impact your mission.

So learn and apply CRM today.

You'll see the enemy in a whole new light.

Get into a new frame of mind. Own the Edge.

To Own the Edge, it takes more than physical strength. It takes more than the weapons you carry. It takes the knowledge of Composite Risk Management (CRM) and the mindset to put it in motion.

CRM is the most effective way to reduce accidents, decrease fatalities, and improve your readiness. You can be more aggressive and Own the Edge by making better risk decisions.

Want to Own the Edge?

Then get in the mindset of using CRM in every decision you make.
